Topic 15 Economic security of the enterprise	2/2	Know the concept of economic security of the enterprise Be able to assess the economic security of the enterprise Apply methods to assess the economic security of the enterprise Understand the importance and significance of enterprise security	Writing tests Individual calculation work Report with presentation	4 points
Total for 1 semester				70
Exam				30
Total for course				100

ASSESSMENT POLICY

<i>Policy regarding deadlines and resits:</i>	Works that are submitted in violation of deadlines without good reason are evaluated at a lower grade. Rearrangement of modules takes place with the permission of the lecturer if there are good reasons (for example, sick leave).
<i>Academic honesty policy:</i>	Write-offs during tests and exams are prohibited (including the use of mobile gadgets). Course papers, abstracts must have correct text references to the literature used.
<i>Attendance policy:</i>	Attendance is mandatory. For objective reasons (for example, illness, international internship) training can take place on an individual schedule (in online form in consultation with the dean of the faculty and the lecturer).

SCALE OF ASSESSMENT OF STUDENT KNOWLEDGE

Student rating, points	National grade based on exam results	
	exams	credits
90-100	excellent	passed
74-89	good	
60-73	satisfactory	
0-59	unsatisfactory	not passed
